CSE-5325, Fall 2022
Project Team Member Evaluation Form

Increment#_____ Course# _CSE-5325___ Section#____004_____ Fall / Spring Year_ Spring 2023

Most team members perform well in a project team. However, some members perform extremely well and some very poorly. It is constructive to encourage the outstanding members and inform those who need improvements. This form allows you to convey such information to your team members whenever you deem there is such a need.

Please give an integer rating of -2 (poor), -1 (below average), 0 (average), +1 (above average), or +2 (excellent) for some of the aspects of the members you want to convey your assessment. Your evaluation might be reproduced (to hide your identity) and presented to the relevant members. Please **do not** evaluate yourself. Please submit through canvas, email to TA and instructor maybe acceptable if it comes from the right email source.

However, the identity of the evaluator will be kept absolutely confidential in all cases.
